Yeshiva of Ocean will receive or has received a total of \$36,498 from the Department pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students.

Yeshiva of Ocean has disbursed \$22,080 to 23 students under Section 18004(a)(1) of the CARES Act as of December 31, 2020.

The estimated total number of students at the institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act while funds were available and who were enrolled during the Spring 2020 and Summer 2020 semester is 39.

The method used by Yeshiva of Ocean to determine which students receive Emergency Financial Aid Grants and how much they would receive is based on the total allocation and expenses for food, course material, equipment needed to participate in the educational program due to the disruption of campus operations, travel home expenses and health care related expenses which has been calculated at \$960 for a dependent student. All students enrolled are dependents.

Students received the following instructions with their grants: "As per the CARES Act, these grants are to be used for expenses that are related to the disruption of campus operations due to COVID-19, including things like course materials and technology as well as food, housing, health care, and childcare."
